

Smart Shadow remover

For use on all stone and masonry where shadows are still visible.

- * Highly active
- * Water washable
- * contains no chlorinated solvents
- * Biodegradable

Usage : Can be used on all types of stone and masonry.

Applications: Apply neat by spray, brush or cloth a generous coating of Smart Shadow remover. Leave to dwell for up to 5 minutes, do not allow product to dry out, then remove by rinsing off with a pressure washer (Hot/steam is best especially in colder weather) Repeat if necessary.

Give the area one final rinse with an acid free neutraliser if necessary.

Safety Precautions:

Use in a well ventilated area. Avoid contact with skin or eyes. Wear chemical resistant goggles or visor. Wear rubber (not PVC) gloves and overalls. Splashes to skin should be washed off with plenty of water. In the event of eye contact, irrigate with clean water. For detailed health and safety information request a hazard data sheet.
